10th February 1913.

My dear Sir,

I send herewith a copy of a letter which His Highness wrote to Lord Reading, and text of a letter received by His Highness from the Hon'ble Mr. Thompson, Political Secretary, for your information.

It is not clear what Mr. Thompson means by "considerable sums". An early opportunity will have to be taken of disabusing his mind of any exaggerated notion he may have of the sums so far paid to the Durbar out of the surplus.

Yours sincerely,

A. R. Banerji, Esq., C.S.I., C.I.E.,
Dewan of Mysore.
